

Getting Started with MOOZ

Your 1-minute cheat sheet for amazing
online music lessons

✅ Step 1: Download the MOOZ app

It's quick and completely FREE for students!

 Works best on computer (Windows/Mac)

Recommended

 Mac Store

Recommended

 Windows Store

 App store

 Google play

✅ Step 2: Join your lesson

Click the link your teacher sends you — that's it! 🎵

✅ Step 3: Set up your sound

- Use **headphones** 🎧 for best quality
- Plug in a mic or interface if you have one
- Calibrate your microphone before your first lesson (this ensures clean sound and perfect sync) 🔧

✅ Step 4: Explore cool tools

🎵 Use the **virtual piano** to play and accompany your vocal

🎵 **Stay in time** with the built-in metronome

📺 **Record your lessons** to review progress

📺 **Play backing tracks** or any audio in the player

🔄 **Experience the Sync Mode** with your teacher

👉 **Draw and highlight** right on the sheet music and PDFs

📷 **Sharpen your technique** with 5 camera angles
